The mare may remain per conditions above until the next expected normal heat cycle of the mare(s) to be checked in foal or re-bred if mare returns in estrus.

Hendershot New Millennium Haflingers recommends ultrasounding all mares between 16 - 20 days from breeding to verify viable conception.

Balance of Stud Fee is due and payable upon confirmation of pregnancy (no later than 45 days from breeding).

Or, if it is shipped semen, the additional shipping and handling cost will be applicable. If for any reason, the mare booked to the stallion in this breeding contract suffers illness, injury, or death which renders her unfit for breeding, mare owner may substitute another mare to above named stallion when agreed upon by both mare owner and stallion owner. A letter from mare owner's Veterinarian must be furnished as proof of breeding unsoundness, as well as a letter of veterinary certification of foal death if mare has successfully conceived and delivered a foal that was unable to stand and nurse.

HEALTH REQUIREMENTS OF MARE(s): Mare owners agree that mare(s) to be bred shall be healthy and in sound breeding condition if brought to our premises to be bred. All vaccinations (Eastern & Western Encephalitis, Tetanus, Flu, West Nile, Rhino & Rabies) must be up to date. And a current negative Coggins report must accompany the mare(s.) Any mare with a reproductive history of uterine infections must be accompanied by a letter from mare owner's veterinarian certifying the mare is free from infection.

VETERINARY CARE & FEES: Mare owner(s) agree that, if necessary to enhance a successful conception, the stallion owner may at his, or her, discretion have all reasonable and customary needed veterinary reproductive work on mare owner's mare(s) completed by the stallion owner's veterinarian. However, the owner(s) of any mare(s) or foal(s) in our custody or control hereby waive(s) all liability claims for injury, disability, or death suffered by the mare(s) or foal(s) as a result of acts by Hendershot New Millennium Haflingers, its employees, owners, or family.
